Continuation Boards, 11-15 February 2002

Attached are alphabetical listings of the Air Force Reserve officers selected or nonselected for continuation on the Reserve Active Status List (Atch 1-2). The continuation board convened in accordance with Title 10 USC; DoD Directive 1320.8; Air Force Policy Directive 36-26; and Air Force Instruction 36-2504 at Headquarters Air Reserve Personnel Center (HQ ARPC).

Public release is 6 May 2002 and was announced by DMS message. Do not inform officers of their status until public release date. The select and nonselect lists are "For Official Use Only" and may not be seen by anyone other than those officials who are responsible for the administrative processing of the lists. Individuals selected for continuation will be notified by letter from this headquarters to either accept or decline the continuation. **Do not publicly display or release either select or nonselect lists at anytime.**

Military Personnel Flights (MPFs) will furnish unit commanders the names of their officers selected and nonselected for continuation. Commanders must continue to evaluate officers and ensure propriety of continuation. If it becomes appropriate to remove an officer's name from a select list, comply with AFI 36-2504 chapter 10. Such actions must be initiated prior to officer accepting continuation. Selected captains may be continued on the Reserve Active Status List until the last day of the month in which they complete 20 years of federal commissioned service. Continued officers will be eligible for promotion consideration for as long as they remain on the Reserve Active Status List.
